

ST MARY'S FLOWER ARRANGERS

Do you like flower arranging or always fancied trying it?
Think it's too difficult or specialized?

St Mary's Church Flower Arrangers Group
is currently in need of some new volunteers.

No experience is needed.

Most of us started with little or no experience.
Help and guidance can be given by a current arranger.

You would need to undertake one arrangement
approximately 5 times a year and water it for a fortnight.

You do not need to be a regular worshipper at St Mary's to
join us in providing flowers to enhance your Parish church.
